

find the WEN® formula that works for you

WEN Cleansing Conditioner is a revolutionary concept in hair care. A five-in-one product, it takes the place of your shampoo, conditioner, deep conditioner, detangler, and leave-in. WEN cleanses hair thoroughly without lathering or relying on the harsh ingredients found in many ordinary shampoos. It doesn't strip your hair and scalp of natural oils, so sheen, moisture, manageability, and color retention are improved. Compare the formulas below to find the right WEN for you.
